

Online Tee Booking

Prior to using the online system for the first time Members will need to **register** online which is perfectly straightforward as it uses your **Membership card number**. You will also be asked for your **email address** which is used to send a confirmation email for both bookings and cancellations. There is a further very important use for this email address as it enables Tuck to communicate quickly and simply with Members. Once registered the office will send you a confirmation email. This registration process is a one – off step that does not need repeating
