This page allows you to enter your own name by using the drop down box for Player 1

You can leave it there if you want to, and someone can sign up with you later, or you can continue and book a second (or more for some competitions) player to play with you

If you want to add another player choose the Player 2 dropdown and a list of all Lady Members will appear that you can scroll through to choose from. Eventually the top of your list will be populated with players you have played with before so it will become easier to select from a shorter list. Once you have made your selection click the 'Confirm Booking' button to finish your booking.

Don't forget to LOG OUT when you're finished.
