Details of **Ladies** **Competitions**

amended

August 2020

LADIES COMPETITION DETAILS – UPDATED August 2020

Intelligent Golf

(this document needs regular updating as and when decisions are made by the committee regarding competitions).

Please be aware of current Entry Fees and Prizes policy, the Summer and Winter Eclectic Competitions policy of February 2014 and Knock-out policy adopted in June 2018 which all must be referred to in conjunction with this document and can be found in the appendices at the end of this document.

The Competition Secretary is responsible for administering all Medal, Stableford and Par competitions plus the Cups, Mail on Sunday, Daily Mail foursomes qualifier, The Stableford Salver, The Roworth Salver, The Coronation Foursomes, The Winter foursomes knockout and all the other Knockouts as well as the fun competitions. The VETS run the Grandmother's Coaster, VETS Championship and the Chris McCormick Cup supported by the Competition Secretary and IG.

Please note – Item 17 of the Congu Unified Handicapping system states that *“Although a club Committee or Handicapping Authority has the right to deprive certain competitions of their status as Qualifying competitions this discretion should not be abused. It is considered to be outside the spirit and intent of the UHS to deliberately adjust the terms and conditions of a competition so that it is technically non-qualifying. (i.e. reduce the number of clubs allowed, move one of the tees forward or impose a handicap allowance e.g. 7/8)”. But it can be done if the Committee so wish.*

The Captain and Committee are responsible for the Club Days, (although these are generally run by volunteers), the Spring and Autumn Meetings, the Open Days, League and Friendly matches, the Past Captains Day and the Invitation Day.

Online sign-up sheets for the Ladies blocked times are available from 3 weeks prior to the competition date. If necessary, tees times can be booked outside these blocks by calling the office. Knockout competition tee times can be booked 3 weeks prior to the competition date **via the office** (not at reception or online)

Start sheets for competitions – most of which are played on both courses unless specified otherwise, are available to be viewed on the IG system up to midnight the day before the competition. Results can be found online once the competition has been finalised and a monthly list of prize winners will be displayed on the board. Prize monies will be credited to the players accounts in the Pro Shop.

Entry to all competitions will be paid on booking a tee time. **An individual will only be deemed to have entered when the appropriate fee has been paid. Refunds will be made if an individual is unable to play on the day.**

Competition/Non-Competition Handicaps: Ladies with non-competition handicaps are only eligible to enter medals, stablefords and par competitions and will not receive a prize. They are not permitted to enter any other competitions including fun competitions.

All qualifying competitions are played off the red tees on the Church course and the tee of the day on the Holywell (see CONGU rules 2012-2015 Page 24,13.1). Green keepers should be given the necessary dates by committee.

Entry Numbers: **Eight** players constitute a competition when playing for a Cup whilst **two** players constitute a competition when not playing for a cup.

At 23 August 2011 meeting it was decided “A competition card must be marked by a playing partner entering the competition; in exceptional circumstances only can it be marked by a member with a handicap who is not entering the competition”.

At 5 February 2013 meeting it was agreed that “For competitions where a person or team win and are nominated to represent the club e.g. Daily Mail Foursomes, Coronation Foursomes, Vice Presidents Cup, etc and then are unable to play due to unforeseen circumstances the runners-up in the original competition are then asked to go through instead. If they are unable to take that place then the next to be asked will be the person who was defeated by the runners-up and so on in count back order”.

2017 – **Marking Cards** - Exceptional circumstances are deemed to be situations where a player has entered a competition and their playing partner withdraws or does not arrive and they are left without a card marker. Another player may accompany the player in the competition to mark their card but that player is not then obliged to also enter the competition. This arrangement is only acceptable when the situation arises at the last minute and not by prior arrangement.

2020 – In consultation with the Club Captain it was agreed that there would be a set of rules for competitions applicable to all members of St Enodoc (see appendix 1). The committee agreed with the ‘new’ rules which included an alteration to the above rule regarding marking of a card – the new rule reads “A competition card should, wherever possible, be marked by a fellow competitor. However, where this is not possible the marker must be a member of the club and hold an official handicap”.

For all Competitions players are able to sign up three weeks before the competition date.

Cards are processed by IG and Competition Secretary. List of results is passed to pro-shop for prizes to be credited to prize winners accounts.

Copy of results is boarded and processed online.

Knockout Competitions are available 6 weeks before start date.

Rules for stroke play competitions

PLEASE REFER TO CURRENT CONGU RULES BOOK

MEDALS

Entry fee as per current **Entry Fees and Prize Fund** document – Appendix 2

The England Golf Union states:

The Committee must run a minimum of four and up to twenty-four stroke play competitions for the EG Medal awarded annually to each affiliated club. Any, or all, of these competitions may be played in conjunction with a club stroke play competition, as authorized by the Committee.

This means that we can run as many Medals as we like on either course but no more than 24 will count as EG Medals, any more than 24 are just normal medals. Medals normally run on Tuesdays.

Also, although it has been decided that club policy is to limit the handicaps to 28 (for ladies) on the Church course, we must allow all players with a handicap to play in any EG Medal on either course.

The best 4 nett EG medal scores in a year will qualify for the Regional final each year (see page 14)

STABLEFORDS AND PARS

Entry fee as per current **Entry Fees and Prize Fund** document – Appendix 2

N.B. Venerable Vets

The Ladies Committee decided at 4 May 2010 meeting to award a Venerable Vets prize of a £5 voucher to the best VV in each monthly Stableford competition on the Holywell course. All year round any lady of 75 years of age or over can qualify for the Venerable Vets – they must mark their card clearly with a **VV**, the office will award the prize (money comes from Ladies Section). There must be a minimum of 3 (changed from 2, 12th November 2019 committee meeting) Venerable Vets in the competition. The VV is also eligible to win the main competition as well.

At 28 May 2013 meeting this was extended to the Church Course to include medals and pars and must be 18 holes.

July 2020 – the prize money awarded to the VV's will be credited to their 'gold card' at the end of each month. Due to the Covid-19 Pandemic there is no need to enter VV on the card, the Competition Secretary has an up to date list of eligible ladies.

August 2020 – the committee agreed the rules for VV monies and it was to be over 18 holes and applicable to Stableford, Medals and PAR competition but not Cups/Trophies.

STABLEFORD SALVER

Entry fee as per current **Entry Fees and Prize Fund** document – Appendix 2

The Stableford Salver is held on 10 designated Fridays, played in 2's or 3's, between October and March.

August 2020 – The Committee decided (following discussions with Jan Derry) that the scoring for the Salver would appear on IG and classed as an Order of Merit with the winner receiving 20 points, 2nd 18 points, 3rd 16 points down to 10th place. The overall winner would be the player with the most points gained from their best 5 scores out of 10. If there is a tie for the overall winner or runner-up, the winner will be the player with the most 20s.

- The winner of the day receives prize as per current Prize Fund document.

History of Stableford Salver

Jan Derry presented this trophy in 1997.

Up to 2004 - qualifier on full handicap

2005 - Non-qualifier on $\frac{3}{4}$ handicap (trial)

2006 - Reinstated as qualifier on full handicap in accordance with CONGU rules

11th December 2012 meeting it was agreed "the Friday Salver should not be reduced to 12 holes on any occasion". Also, that none of the dates should be substituted once the competition has begun.

13th May 2014 meeting it was **agreed that it could be played over 12 holes when necessary** due to adverse weather conditions. Decision will be made by a committee member or the office first thing before morning play. See minutes of 13th May 2014 (Approved by Mrs Derry). Confirmed in minutes 22nd October 2019)

ROWORTH SALVER

Entry fee as per current **Entry Fees and Prize Fund** document – Appendix 2

The Roworth Salver is played on 10 designated Sundays throughout the year and is an Order of Merit series played in 2's or 3's. The competition is played over 18 holes with the winner gaining 20 points and all other entrants receiving points according to how many points they are behind the leader (e.g. winner with 32 stableford points get 20 salver points, 2nd place with 28 stableford points receives 16 salver points (32-28 = 4 which then means 20-4=16). If there is a tie for the overall winner or runner-up, the winner will be the player with the most 20s.

- The winner of the day receives prize as per current Prize Fund document.
- The winner of the series is the player with the best 5 scores.

Sue Roworth presented this trophy in 2010.

8th November 2016 – It was stipulated that this competition must always be played over 18 holes.

BEASON CUP (First played for in 1981)

Entry fee as per current **Entry Fees and Prize Fund** document – Appendix 2

This competition runs alongside the monthly Holywell medals, and is awarded to the person with the best 3 net scores over the 6 Holywell medals designated as Beason Cup qualifiers. The Competition Secretary or the office will work out who has the best 3 scores in the series. The competition normally starts in April.

There is a winner of the day and the overall winner receives a cup and has vouchers credited to their account following the AGM.

If there is a tie for the cup i.e. players have the same overall score, then it is the best card which wins.

COUNTY VOUCHER PRIZE

Prize donated by CLCGA each year for handicaps up to 36. Played for on a designated competition on the Holywell. Winner must be notified to the county treasurer by email and Voucher will be sent to club.

KNOCKOUT CUPS

PLEASE BE AWARE OF CURRENT KNOCK-OUT GUIDELINES - Appendix 3

Entry fee and prize as per current **Entry Fees and Prizes** document – Appendix 2

Sign up online is available 5-6 weeks before the draw is to be made. The draw is carried out by The Lady Captain, Vice Captain and IG and all competitors emailed the draw.
The Draw is also boarded.

Winter competition rounds will be 4/5 weeks, Summer 4 weeks.

On the top of the competition sheet you should always note (1) the name of the competition and the course, (2) the dates for each round - usually 3/4 weeks per round, (3) the handicap allowance and (4) a statement about the responsibility of players to arrange matches by the due date as per the policy. It is advisable to check that the last day of a round finishes on a Sunday and does not clash with any other important club fixture. All matches are played off the Tee of the day. Decided in 2010 No seeding.

VICE PRESIDENTS HANDICAP CUP – (CLCGA) QUALIFIER

Started in 1929 as a knockout with individual club winner going forward into County rounds. Awarded in 1929 by the Vice-President of the time.

Entry fee and prize as per current **Entry Fees and Prizes** document – Appendix 2
REFER TO CURRENT CLCGA CONDITIONS OF PLAY.

Winner qualifies to go forward to play against winners of other Cornish clubs in a countywide knockout.

Match play, full handicap difference, no seeds, handicap limit of 28 (stipulated by St Enodoc, not a requirement of CLCGA). The winner has to be notified to the CLCGA secretary by 31st May each year, so now it commences in December. (Minute 2b 9th September 2014)
CLCGA run the competition after we have notified them of our winner.

SOPER ROSE BOWL

Donated by Miss Bidy Soper and the bowl is a replica of Littlehampton GC, Presidents Cup, which was won by her father in 1901.

Entry fee and prize as per current **Entry Fees and Prizes** document – Appendix 2
Match play off full handicap. Commences April.

LE MARCHANT CUP

Presented in 1935 by Colonel & Mrs Le Marchant when they resigned from the club on leaving the area.

Entry fee and prize as per current **Entry Fees and Prizes** document – Appendix 2
Match play off full handicap. Commences August (Minute 2c. 9th September 2014).

PRESIDENTS CUP

Donated by the 6th Viscount Clifden who was President of St Enodoc from 1936 – 1958. First played for in 1946.

Entry fee and prize as per current **Entry Fees and Prizes** document – prize is always greater value than normal cups because the current club President had always donated it, but in recent years whilst it has remained higher in value it has ceased to be given by the President. (Once upon a time a bottle of whiskey from House of Commons was donated too). The winner of this competition would be the person we should first consider to represent the club in any external match-play competitions off scratch.

Match play competition off scratch. Commences early June, and runs at same time as Bronze Knockout (for higher handicaps).

BRONZE KNOCKOUT

Entry fee and prize as per current **Entry Fees and Prizes** document – Appendix 2

For Division 2/Bronze players, those with handicap of 21 up to and including 28. A person with a handicap higher than 28 is not restricted as long as they have previously achieved a handicap of 28. Any player who moves from bronze into silver once the competition has started must play off the new handicap, normally starts at same time as Presidents Cup.

Match play competition with full handicap

WILLS CHURCH REPLICA/ WILLS HOLYWELL REPLICA /WINTER FOURSOMES

Foursomes matchplay played off half combined handicaps.

Entry fee and prize as per current **Entry Fees and Prizes** document – Appendix 2

Knockout competition; two competitions, one on church and one on Holywell. Small cup given for Holywell.

Church winners to represent St Enodoc Golf Club in The Daily Mail National Tournament

Started as a round robin competition but was decided in 2008, due to lack of entries and failure to play all matches, that this should be a knockout. (In 2010 it took approx 6 weeks per round).

For 2012 it was reinstated as a round robin as a trial. (Not a success)

If played as a round robin:

The number of entries determines the number of groups, if more than one group, the winners of each group go into a play off. All matches must be played to a conclusion and 1 point for a win, NO POINTS TO BE GIVEN IF MATCH NOT PLAYED. In the event of a section tie – the winners of the match between tying pairs will go through.

Since 2013 has been played as a knockout competition under normal knockout conditions - see Appendix 2.

2017 – Holywell competition played as a Round Robin (as above) due to low numbers.

Matchplay handicap allowance ½ combined

CUP COMPETITIONS

Entry fee and prize as per current **Entry Fees and Prizes** document – Appendix 2

All cup competitions are played on the Church Course with the exception of the Beason Cup, Dingle Trophy, Neale Trophy these are run on the Holywell. The Grandmothers Coaster is run on both the Church and Holywell Course which is a VETS competition. Other VETS Competitions are the VETS Championship and the Chris McCormack Trophy.

There is a minimum of **8 players** required for a cup competition to be valid.

When playing for a cup it is nice to have a picture of it and a bit about the history of the cup displayed on the board in the sign in room.

CLUB CHAMPIONSHIP CUPS

ST ENODOC LADIES STROKEPLAY – Scratch winner (Formerly the Barbara Robson Trophy)
36 hole medal – Club Champion

FOSTER CENTENARY TROPHY – Handicap (donated by Sue Foster)
36 hole medal – nett prize

Both:

2005 - 18 holes

2006 - 36 holes

2009 - 36 holes (has remained as 36 holes ever since).

In 2009, after poor entry, Mrs Robson and Mrs Foster agreed that this competition does not **have** to be over 36 holes, but we kept it as 36.

In 2015 it was proposed that the Club Championships be changed to 36 holes over a weekend rather than on one day as a trial over 2 years. Due to diary clashes this did not happen but the competition was played over two separate weekends.

In 2016 the championship weekend was set as proposed in 2015. As a result of changing from 36 holes on one day to two days Mrs Robson elected to withdraw her trophy.

A new trophy was purchased by the club for the Ladies club champion (scratch winner).

BARBARA WILLS TROPHY

Most improved Net score between the two rounds.

This trophy started life as a bronze prize but due to lack of interest in **2010** it was made into an 18 hole competition following the first round of the 36 hole competition.

Due to low numbers it was revised again in **2011** to become a prize for the best net 18 holes out of all cards submitted for the day. This caused problems with the CSS so in **2012** it was amended to be a prize for the most improved net score between am and pm.

2016 became most improved score between the 2 rounds over the weekend.

Entry fee and prize as per current **Entry Fees and Prizes** Appendix 2.

No one can win more than one prize. Winner of a cup takes precedence over the runner up so if a player is 2nd scratch and 1st handicap they win the Handicap Cup.

OTHER CUPS

ORANGEFIELD CUP/WILLS SALVER

Presented by Miss Helen Campbell and her sisters, and first played for in 1924. The cup being named after part of the family estate at Prestwick in Scotland. Their father Major LG Campbell was continuously looking after "The Course" in the early 1900s

Orangefield Cup is played on the Church course and the Wills Salver is played for on the same day on the Holywell Course. *Both are stableford competitions, qualifying rounds played off full handicap.*

DANA BOWL/NEALE CUP/ NEALE TROPHY

Donated by Mr & Mrs Dana as a prize for The Easter meeting of the club from 1901 - 1914

Medal qualifier on Church course, full handicap.

Division I (silver) players compete for Dana Bowl and Division II (bronze) players compete for Neale Cup.

The Neale Trophy is played on same day on the Holywell course and there is no split between divisions. *Medal full handicap qualifying.*

Neale Trophy was introduced in 2010. Given by the Committee to allow for a competition on the Holywell in conjunction with the Dana Bowl and the Neale Cup.

Dana Bowl presented in 1922, Neale Cup in 1928, Neale Trophy introduced in 2010.

6th June 2017 – Ladies Committee agreed that there will be a requirement for there to be 8 players in each division for these cups to be awarded. Each cup will be awarded independently of the other, i.e. if 8+ Silver players participate but only 6 Bronze then the Dana Cup is awarded but not the Neale Cup and vice-versa.

The Ladies Captain/Competition Secretary shall decide whether the competition is to be rescheduled depending on the reasons for original lack of participation.

HOSKIN CUP

Challenge Cup presented in 1905 by Dr & Mrs Hoskin of Brae House. Played for on the 23rd August 1905 with 8 entries. (Oldest cup in the club)

Medal qualifier, Church course, full handicap.

SIR CECIL CARR 4 CLUB + Putter

Played since 1967 . Sir Cecil was a lawyer 1878-1966 and President of the club from 58 – 66. (Charity alongside originally designated RNLI)

4 Clubs and a putter, *Stableford, non-qualifier, full handicap, Church course.*

4 clubs and a putter (No Cup) – played on the Holywell in conjunction with the Sir Cecil Carr Trophy. *Stableford, full handicap non-qualifier*

DUNCAN CLARKE CUP

Presented in 1949 by Mrs B Clarke who was Lady Captain between 1947 & 1949.

Stableford qualifier on Church course - full handicap.

Players are asked to make a donation to Cancer Relief.

SANDYS CUP (Pronounced SAND'S CUP)

Presented in 1911 by Mrs Mabyn C Sandys as Lady Captain.

Par qualifier - full handicap on Church course.

CROUCH CUPS

Awarded by Gloria Crouch in 1999.

Eclectic 36 hole *medal competition (full handicap)* on Church course run over two separate days, originally consecutive Sundays but now established as 3 weeks between.

Scratch Cup (lowest gross score) and Handicap Cup (lowest Net score) awarded.

No one can win both cups and winners of a cup take precedence over runners up, so if a player is 2nd in scratch and 1st in handicap she wins the Handicap cup.

Both rounds of this competition are non-qualifiers as players do not have to complete all 18 holes in either round. Scores from both rounds may be used during the annual handicap review.

If a tie occurs the decision for the winner is made on the combined back nine scores of both rounds.

DINGLE TROPHY

Awarded by Di Dingle in 2000

A Handicap Cup (lowest Nett score) awarded.

Played on the Holywell course alongside the Crouch Cups

An Eclectic 36 hole medal competition played over 2 separate days – full handicap

Both rounds of this competition are non-qualifiers, as players do not have to complete all 18 holes in either round. Scores from both rounds may be used during the annual handicap review.

If a tie occurs the decision for the winner is made on the combined back nine scores of both rounds.

Originally introduced to run alongside Crouch Cups (as above) to bring Church and Holywell players together on a Sunday.

2016 - after declining participation in recent years and insufficient numbers signed up for Sunday competition this year, the competition was rescheduled to Tuesday's and ran successfully. Mrs Dingle was subsequently consulted as to whether to revert to Sundays as per her original idea or to schedule for Tuesday's; she was happy to move the competition to Tuesday's to sustain participation.

2017 - scheduled to run on the same day as the Church course Hi-Lo Greensomes for the first round and on the June Open Day for the second round.

FOURSOMES CUPS

Entry fee and prize as per current **Entry Fees and Prizes** document – Appendix 2

APPENDICES

Appendix 1

Club Competiton rules

1. From November 2020 all individual competitions qualify for handicap purposes.
2. Tees from which the competition will be played will be indicated on the entry sheet.
3. The competitions marked Open on the fixture list will be open to any green fee paying visitors but entrants to any club competitions must have an official handicap.
4. All competitors must register their intent to play in the competition by signing in and paying the appropriate entry fee.
5. In knockout competitions the dates by which each round must be played cannot be extended unless through exceptional circumstances approved by the Captain's committee.
6. If mutual agreement cannot be reached to resolve an unplayed match, representations should be made to the golf committee for a decision.
7. Players who are under 18 are not permitted to participate in sweepstakes.
8. Players who are under 18 whose names appear on the Junior notice board as authorised by the Junior organiser may enter adult competitions.
9. A club competition for a cup must have a minimum of eight competitors.
10. Competitions can be played at any time of day though scores must be returned before midnight.
11. Only committee approved players may use buggies in competitions. These players are permitted on medical grounds. They must not use full sidescreen protection from the elements as this gives an unfair advantage. Other players partnering buggy drivers will not be permitted to ride during competitions although clubs may be carried.
12. A competition card should, wherever possible, be marked by a fellow competitor. However, where this is not possible the marker must be a member of the club and hold an official handicap.
13. Any player playing outside the block competition times must inform the relevant officials below before the competition, of their intention to play and who will be marking their card. (Ladies – Ladies' Captain, Ladies' Vice captain or Competition Secretary. Men – the office)
14. When a player with a plus handicap has to give strokes on the Church course they should be taken in reverse order of the stroke indices.
15. In medal competitions play must be in twos or threes. Fourballs are not permitted.
16. All decisions made by the Committee in connection with competitions are final.

Appendix 3

POLICY FOR CLUB KNOCKOUT MATCHES

In order to encourage greater participation please would all players do their utmost to arrange matches quickly and with minimum fuss.
Cancellation of arranged matches is discouraged.

Handicaps

Singles – Full difference

Foursomes – Half the difference of the aggregate handicap of either side

Fourball Betterball – 90% the difference of player's full handicap to the back marker (lowest handicap player)

Tees As defined on the competition draw

Arranging Matches

Both players/teams are responsible for contacting the other and are expected to offer 3 acceptable dates, minimum of one weekend and one week day should be offered. Players are encouraged to make contact as soon as possible.

If for any reason a mutually convenient date cannot be arranged, the player/team available and on the tee to play at 12 noon on the deadline date of the round shall be entitled to a walkover.

If a match is not completed by the stipulated date and a result is not entered on the draw sheet, both/all players shall be disqualified.

No extension to the deadline date for playing a round shall be granted without a medical certificate or other genuine reason (with suitable evidence required).

Any such extension shall be agreed by the Competition Secretary.

In the event of extenuating circumstances that cannot be resolved by the players in conjunction with the Competition Secretary the issue will be decided by the Committee whose decision shall be final.

Appendix 4

Winter & Summer Eclectic Policy

Sign up via IG at the start of the relevant Eclectic series (winter or summer) and will remain open for 1 month.

Players must **sign up** online with payment taken.

There is no limit to the number of qualifying competitions a player can enter for their eclectic score during the relevant series.

Appendix 5

Hole in One Policy

6th June 2017 – The Ladies Committee agreed a new Hole in One Policy as follows;

1. Player is required to record the Hole in One on their card and have this witnessed by a playing partner who must be a member.
2. The competition must be an organised club competition but not necessarily a qualifier (i.e. fun competitions such as 666 or 4BBB or Spring/Autumn Meetings are acceptable).
3. The player must inform the office and a member of the Ladies Committee (preferably the Competition Secretary) on the day.
4. The Ladies Competition Secretary shall be responsible for ensuring that club records are updated (minute at next committee meeting & arrange for office to update board).
5. Retrospective claims for Hole in One to be added to the board will only be accepted if solid evidence of the above conditions being met can be produced within 1 year of the event.
